Course Overview

The Magna Skills Development Institute training course in Training Advanced Skills for Personal and Executive Assistants provides personal and executive assistants with a clear understanding of the range of important functions they fill, and exposes participants to the the tools and techniques that allow them to be more effective in their role.

In this course, you will learn a range of practical skills and techniques that will empower you to portray professionalism in this supporting role, and teach you a range of techniques that will improve your abilities - from arranging and controlling meetings, professional business writing skills, time management skills, managing upwards, social media management, handling commercially sensitive information and much more!

This Advanced Skills for Personal and Executive Assistants training course can be delivered at your premises anywhere in Africa by one of our expert local or international trainers.

Executive secretaries of the 21st Century require knowledge, skills and abilities that are closely aligned to many of those of their executive bosses. They are required to have problem solving abilities and the initiative to think on their feet while juggling many balls all at the same time and without dropping any! The Professional Skills for Executive Secretaries and PA's workshop will strengthen your current skills with a powerful, direct approach to ensure the achieving of personal effectiveness in the business environment.
