## Course Overview

Magna Skills is delighted to offer the Regulatory Frameworks for Environmental Management and Planning short course. This program is designed for professionals and stakeholders involved in environmental management, providing a comprehensive understanding of the regulatory landscape, compliance requirements, and best practices for effective environmental planning.

## Course Outcomes

Upon completion of the course, participants will:

- Understanding Environmental Regulatory Frameworks:**
  - Gain in-depth knowledge of national and international environmental regulatory frameworks.
  - Learn how regulatory policies impact environmental management and planning.
- Compliance Requirements and Reporting:**
  - Understand the compliance requirements set by environmental regulations.
  - Develop skills in preparing and submitting environmental reports in adherence to regulatory standards.
-

### **Environmental Impact Assessment (EIA):**

- Explore the principles and methodologies of Environmental Impact Assessment (EIA).
- Learn to navigate the EIA process and ensure compliance with regulatory standards.

4.

### **Sustainable Development and Environmental Planning:**

- Understand the role of sustainable development in environmental planning.
- Develop strategies for integrating sustainability principles into environmental management.

5.

### **Environmental Legislation and Enforcement:**

- Explore key environmental legislation and regulatory enforcement mechanisms.
- Learn about penalties and consequences for non-compliance.
