Course Overview

This practical course equips public sector employees, NGO staff, and organizational leaders with the tools and strategies needed to thrive in remote work environments. Delivered by Magna Skills, the course focuses on the implementation of telework policies, productivity tools, digital collaboration, and maintaining accountability and engagement while working from home or remote locations.

Participants will gain actionable insights on managing hybrid teams, using secure technology platforms, and building a resilient remote work culture that supports organizational goals.

Course Outcomes

- Understand the foundational principles and benefits of teleworking and telecommuting in the public and NGO sectors.
- Develop and implement clear remote work policies and procedures tailored to organizational needs.
- Use digital collaboration and project management tools to enhance productivity in virtual teams.
- Apply strategies to monitor performance, ensure accountability, and maintain effective communication remotely.
-

Cultivate a supportive remote work culture that promotes work-life balance, inclusion, and employee well-being.

Course Outline / Curriculum

1.
Introduction to Telework and Telecommuting
 - Definitions, benefits, and global trends
 - Key differences and applications in government and NGO settings
2.
