Course Overview

This course, **offered by Magna Skills**, is designed to strengthen the capacity of professionals working within **Revenue Authorities, Ministries of Finance, and Tax Administrations** across Africa. It equips participants with practical skills and analytical tools to identify, assess, and mitigate tax compliance risks effectively.

The course integrates **international best practices** from institutions such as the **OECD, IMF, ATAF, and World Customs Organization (WCO)** with local experiences to build a comprehensive understanding of compliance risk management. Participants will learn how to implement **risk-based compliance strategies**, enhance taxpayer trust, and improve revenue performance through proactive monitoring and data-driven decision-making.

Magna Skills' approach emphasizes **interactive learning, case studies, and practical exercises**, ensuring participants return to their institutions with actionable strategies to improve compliance, enforcement, and institutional integrity.
