Course Summary

This course will provide you with a strong analytical understanding of the key legal issues in the area, with a particular focus on the environmental law and investment law aspects of the oil, gas and mining industries.

It also draws on our strengths in international trade and commercial law, which will help you gain an appreciation of the oil, gas and mining industries in their global economic context. The course covers most aspects of the regulatory and commercial world, as they relate to the international energy industry, with a specific focus on the petroleum and mining sectors of this burgeoning area of economic activity.

Course Objectives

- Gain a strong analytical understanding of the key legal issues in this specialist and expanding area of Law.
- Gain an appreciation of the Oil, Gas and Mining industries in their global economic context.
- Benefit from our expertise in Oil, Gas and Mining as well as the complementary fields of International Trade and Commercial law.
- Have a clear understanding of the nature and scope of environmental law
- Discuss the constitutional protection of environmental rights in Africa
- Understand the statutory duty of care
- Understand the new Environmental Impact Assessment procedure
- Identify the listed activities for which an EIA is a prerequisite
- Reflect on the new Air Quality Act's system of air quality management
- Describe the regulatory framework for waste management
- Explain the regulatory framework governing biodiversity
- Identify the various levels for the administration and implementation of environmental laws
- Understanding the powers of environmental management inspectors (EMIs) in compliance and enforcement

Company Overview

Who We Are: Magna Skills is a premier training and capacity-building organization specializing in professional development for government institutions, NGOs, and the private sector.

Our Mission: To provide world-class training solutions that equip professionals with the expertise needed to excel in their careers and contribute meaningfully to their organizations.

Our Vision: To be the leading provider of professional training and development across Africa, fostering excellence, innovation, and capacity-building in public and private sectors.

Core Values

- **Excellence** – Delivering high-quality training tailored to meet the evolving needs of professionals.
- **Integrity** – Upholding the highest ethical standards in all our engagements.
- **Innovation** – Embracing new technologies and methodologies to enhance learning experiences.
- **Customer-Centric Approach** – Ensuring client satisfaction by providing relevant, practical, and impactful training.
- **Collaboration** – Partnering with industry experts and institutions to provide the best learning opportunities.

Our Training Methodology

We use a blended learning approach that includes instructor-led training, case studies, workshops, and post-training support.

Why Choose Magna Skills?

- Experienced Trainers
- Customized Training Solutions
- Interactive Learning

- Global Recognition
- Proven Track Record
