Course Summary

The *Centralised Assessment in Customs* short course is designed to provide Revenue Authority officers and customs professionals with a comprehensive understanding of centralized customs processing, modern assessment models, and efficiency-driven compliance frameworks.

Offered by **Magna Skills**, this course equips learners with the technical knowledge and practical tools needed to streamline customs assessments, enhance trade facilitation, strengthen risk management, and optimize operational efficiency within a centralized assessment environment.

Through real-world case studies, international best practices, and guided exercises, participants will develop the competencies required to implement and manage centralized assessment systems in alignment with WCO standards.

Course Objectives

1. Explain the concept, purpose, and evolution of Centralised Assessment in Customs.
2. Apply core principles of customs valuation, classification, origin, and risk-based controls within a centralised system.
3. Evaluate organizational and operational readiness for adopting centralized assessment models.
4. Utilize ICT, data analytics, and automation tools to enhance assessment accuracy and efficiency.
5. Strengthen compliance management and stakeholder relations within a centralized operational framework.
- 6.

Course Outline

Module 1: Introduction to Centralised Assessment

- Overview of centralized vs decentralized assessment models
- Benefits and challenges for modern Revenue Authorities

Module 2: Legal and Regulatory Frameworks

- National laws governing customs assessment
- Alignment with WCO standards and international agreements

Module 3: Customs Valuation Essentials

- Applying WTO Valuation Agreement principles

- Identifying valuation risks and common discrepancies

Module 4: Tariff Classification and Origin Determination

- HS classification methodology and interpretation
- Rules of origin and implications for preferential trade

Module 5: Risk Management in Centralised Assessment

- Risk profiling and targeting strategies
- Use of data and analytics to support decision-making

Module 6: ICT Systems and Digital Tools

- Digital integration and automation of assessment functions
- Data sharing, interoperability, and electronic documentation

Module 7: Workflow Processes in Centralised Assessment Centers

- Structuring assessment units for efficiency
- Case management, communication flow, and performance tracking

Module 8: Post-Clearance Audit (PCA) Linkages

- Role of PCA in verifying centralized assessment decisions
- Information feedback loops for continuous improvement

Module 9: Stakeholder Engagement and Trade Facilitation

- Collaboration with traders, brokers, and government agencies
- Transparency, communication, and dispute resolution

Module 10: Implementation Strategies and Best Practices

- Planning and transitioning to a centralized assessment system
- Lessons from successful country case studies

Company Overview

Who We Are: Magna Skills is a premier training and capacity-building organization specializing in professional development for government institutions, NGOs, and the private sector.

Our Mission: To provide world-class training solutions that equip professionals with the expertise needed to excel in their careers and contribute meaningfully to their organizations.

Our Vision: To be the leading provider of professional training and development across Africa, fostering excellence, innovation, and capacity-building in public and private sectors.

Core Values

- **Excellence** – Delivering high-quality training tailored to meet the evolving needs of professionals.
- **Integrity** – Upholding the highest ethical standards in all our engagements.
- **Innovation** – Embracing new technologies and methodologies to enhance learning experiences.
- **Customer-Centric Approach** – Ensuring client satisfaction by providing relevant, practical, and impactful training.
- **Collaboration** – Partnering with industry experts and institutions to provide the best learning opportunities.

Our Training Methodology

We use a blended learning approach that includes instructor-led training, case studies, workshops, and post-training support.

Why Choose Magna Skills?

- Experienced Trainers
- Customized Training Solutions
- Interactive Learning
- Global Recognition
- Proven Track Record
